1. SUBCONTRACTORS

The Contractor shall state which Subcontractor(s) he intends using and which parts of the total delivery shall be carried out by each of these nominated Subcontractors. Name, address and telephone number of Subcontractors shall be stated. For the avoidance of doubt, more than one Subcontractor may be proposed for the same part of the total delivery.

When the Contractor introduces a new Subcontractor during execution of Contract Object, Contractor shall submit upon the request of Employer documentation (e.g. QA-system, Quality plan, references and qualifications). For the avoidance of doubt, more than one Subcontractor may be proposed and approved for the same part of the Works.

Refer also to article 6 of Contract.

1.1 Approval of listed Subcontractors

The Employer has approved the mentioned proposed Subcontractors for the mentioned category of equipment delivery. The approval of a Subcontractor does not in any way release the Contractor from facilitating an overall component standardisation according to Appendix A8 *General Technical Requirements for Process*.
